

# Board exam

**Maciej Kaźmierczak**  
**Web Design**

# Assignments

The student's task is to take basic web design knowledge and apply it to the graphic design project. Particular attention should be paid to information hierarchy, composition, proper spacing between layout elements, and choosing the right typography for a clothing-themed shop for an 18-25 year-old audience.

During the design process, the focus should be placed on functionality, readability and aesthetics.

The final grade consists of the following factors:

Pass threshold: **51%**

Component	Points

A mockup of a confirmation dialog box. The dialog box has a title bar with the text "Confirmation number" and a close button (an 'X' in a circle) in the top right corner. Inside the dialog box, there is a rounded rectangle containing the text "Men's clothing" above a barcode. Below the barcode is the number "1 0234 5536 9807 99". At the bottom of the dialog box, there is a dark rectangular button with the text "Save to PDF".
